

HAUT-BAILLY • II

2019

Renamed Haut-Bailly•II in 2018, this second wine model is reflection of the grand vin.

This new label is of course different from that of its elder by the absence of the mention "Chateau", and restores the dot - touch of modernity - that existed on the labels of Haut-Bailly until 1985. The touch of red, matching the capsule is synonymous with energy and discreet elegance.

The blend is a composition of lots marked with freshness and fruit, built upon a suave, elegant structure. Reflecting the virtues of the grand vin, Haut-Bailly•II can be enjoyed young, although it also has good ageing potential.

Haut-Bailly•II 2019 is a balanced and elegant wine. Voluptuous Merlots bring an aromatic freshness, enhanced by silky tannins. The second wine is soft, with a beautiful roundness.

Harvest dates: September 23rd to October 10th
